Visit the colorful native market in Serian town where a variety of jungle produce such as edible ferns, bamboo shoots and unusual tropical fruit are on display.

Visit a pepper garden and stop by to view wild orchids and several species of carnivorous pitcher plants endemic to Borneo. Lunch en-route.

Upon arrival at the Batang Ai reservoir, proceed by longboat (1.5hrs) upriver to the longhouse, and settle in at the longhouse.

After dinner, ready for a cultural performance. Relax on the Ruai (common verandah) and spend time with the Iban people.
